The Committee in Charge of the National Convention

HELD A MEETING LAST NIGHT

And Pursued the Work of Perfecting Arrangements for the Gathering that will Grace Wheeling Next Month—Marshal Appoints His Assistants and Members of Staff—A Big Trades Display will be a Feature—Kreiger Vouches to Participate

The committee having in charge the arrangements for the national convention of the Bavarian Society of North America met last night and transacted considerable important business in connection with the big event, which will take place in this city August 17, 18, 19, 20 and 21. Chairman Louis Colmar presided and Secretary F. D. Frederick was at the desk. The minutes of the previous meeting were read and approved and a committee on badges was appointed, consisting of the chairman and Mr. F. Striff, also one on securing carriages for the delegates, consisting of Messrs. Louis Bertchy and M. Kreibner.

A communication was read from the Kreiger Verein officials, stating that they had selected Dr. Zimmerman and K. Miller as their representatives on the Marshal's staff. Chief Marshal Joseph Korn reported that he had not yet completed his list of aides for the parade, but had selected Peter Felsheim and Charles Hinkelmann as two of his staff.

The committees from the various singing societies will meet jointly at Arion hall Monday evening at which time they will decide whether the societies will sing together or separately.

The committee on decorations, consisting of Messrs. F. Striff, F. D. Frederick, A. W. Rader, Louis Bertchy, Joseph Leiner and Anton Kargos, reported that it had ordered a large amount of bunting and flags for decorations about town and from the report it is evident that the town will put on a holiday air during the convention.

The same committee has in charge the arrangements for the trades display portion of the parade, which takes place the morning of the 20th.

The committee has prepared a circular letter which will be addressed to each merchant and manufacturer in the city, asking them to have their business represented in the parade.

All the bands in the city have been engaged for the five days of the convention and consequently there will be plenty of music in the air.

The active members will be given free transportation to and from the park Wednesday, August 19. Secretary F. D. Frederick was appointed as a committee of one to secure rates on all railroads entering the city from all points within 150 miles.

President George Fassholt, of one of the Pittsburgh societies, was present and stated that besides the regular delegates, there will be about a thousand members of the society who will come down from the Smoky City to participate in the parade, so it can be seen that the procession will be a large one.

The meeting lasted until a late hour and adjourned to meet again next Friday evening.

BROOKE COUNTY TEACHERS.

Their Institute Has Closed at Wellsburg. An Interesting Programme.

The Brooke county teachers' institute closed at Wellsburg yesterday afternoon, after a very successful session. Professor W. H. Anderson, of Wheeling, has been the instructor and has given general satisfaction, as he always does, at his old home.

Thursday afternoon the institute was visited by Mr. Harbo, of the West Virginia University, who spoke on education generally and then told the teachers something about the university. Brooke county will send a number of students to the university next fall.

The people are beginning to realize that they must not make a mistake in casting out of the state to college where the university offers such superior advantages.

There have been no night sessions at this institute, but the teachers have taken an active part in the programme and the institute has been quite a success.

THE HUB CLOTHIERS AND FURNISHERS.

SACRIFICES

IN FACT,

Not on paper—sacrifices of fair profit and actual costs, not of inflated prices and fictitious figurings. These special sales of ours are born—not of choice—but of necessity. They are offerings of our own regular stock—not of the dregs of the market bought for the express purpose of jobbing 'em out under the guise of honest reductions. For us this is a period of money losing—not money making. It is to be a sharp, decisive sale, that will lower the too high piles and the too large lots of MEN'S SUITS—so let the loss be all at once and quickly over with it.

ON THE ONE HAND

You have the unrestricted choice of hundreds of Men's Summer Suits that bear our label—that show the unmistakable signs of their superior make.

DOZENS ARE MARKED \$15.
DOZENS ARE MARKED \$13.
DOZENS ARE MARKED \$12.

And the marked price is the worth price—the price that they've been selling at all during the season—with our guarantee still behind them. They're yours for

ON THE OTHER HAND

You have the same free and generous choice of hundreds of Men's Suits that had the conditions of the weather been different would never have been food for such an uncompromising reduction.

DOZENS THAT WERE \$10,
DOZENS THAT WERE \$11,

With the original ticket still on them—and our guarantee still, insuring your satisfaction to the full measure of their worth. They are yours for

\$9.98. \$7.65.

An honest sale—like this—has a purpose. When it's attained it will stop—must stop—because every day—every hour—every minute means loss. If 'twas like those cankerous pests on honest merchandising it might continue interminably—as they seem to be doing—fed by the worthless and miserable stock picked up anywhere and everywhere. We cut to the very bone that the agony may be short lived. Come this week—come early. Our guarantee is always your money back. In our BOYS' DEPARTMENT a dollar will almost do the work of two.
